

Faith-Based Withdrawal Approach (12 - 18 months)

✓ As model of God's salvation grace, free all-inclusive rehabilitation programme covering lodging, food, education, training, and counselling

✓ Basis on neither medical therapy nor personal exertion but totally the Word of God - Holy Bible

✓ Holism - bio-psycho-social-spiritual rehabilitation

1. **Biological**: Detoxification and recuperation with disciplined and structured daily programme schedule
2. **Psychological**: Withdrawal and recovery by replacing desire for drugs with new desire for and relationship with God
3. **Social**: Learning social skills through fellowship to rebuild broken relationships and reintegrate into society
4. **Spiritual**: Develop lifelong personal relationship with God and church through Bible study, worship, devotion, prayer, and fellowship
